Enrollment

You may choose to receive your statements and notices for your account(s) delivered via email and made available online through this site. To enroll your account(s) please follow the steps outlined below:

- Account(s) and Document Enrollment**
 All available documents for all active accounts. [Details](#)
- Please review the following email address. If not correct, please update it in the space shown.**
- Please enter a security phrase to be displayed on all valid emails sent from this site.**
 Please enter a new security phrase.
- This agreement provides consent to receive bank statements for your selected Mascoma Savings Bank accounts by electronic delivery. These electronic bank statements are called eStatements.
 To receive your statements electronically, you will need access to a computer that satisfies the minimum web browser requirements for online banking which is a secure browser capable of supporting 128 bit encryption. Additionally, you will need access to a printer or the ability to download the information, in order to keep copies for your records. By selecting "I Agree," you understand and agree that you can meet these requirements.
 You are responsible for providing us with updated contact information, such as changes in your email address. Each statement period we will send you an electronic notice that your statement is available through your Mascoma Savings
 I agree to the listed terms. [Click here to see a sample document.](#)

Enter in Email address

Enter in Security phrase, this will display in the subject line.

Click in the box I agree to the listed terms

Click Enroll Now

Select the accounts that you want to receive E-Statements for

Clicking the plus sign in front of the account will let you know the specifics whether the account is on a combined statement or not.

When complete Click on Save Settings.

The screenshot shows a Windows Internet Explorer browser window displaying the Mascoma Savings Bank website. The address bar shows the URL: <https://es.netteller.com/EStatements/MascomaSavingsBank/documentsettings.aspx>. The page features the Mascoma Savings Bank logo and navigation tabs for NetTeller, Bill Payment, E-Statements, and Options. A secondary navigation bar includes Statements and Notices, Documents and Settings (highlighted with a red arrow), Additional Recipients, Disclosures, Email, and Recon. Below the navigation, there are instructions for enrolling in electronic delivery and a list of accounts with checkboxes for selection. The accounts listed are:

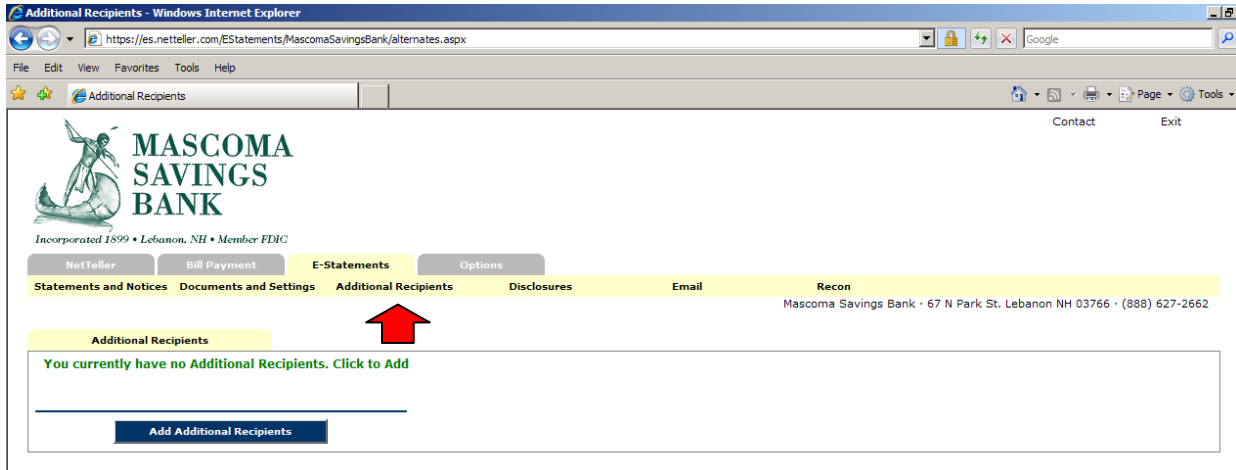

- All Accounts
- Moms MMA
 - Statement (On Combined Statement)
- Moms Checking
 - Statement

At the bottom of the page, there are two buttons: "Save Settings" and "Refresh".

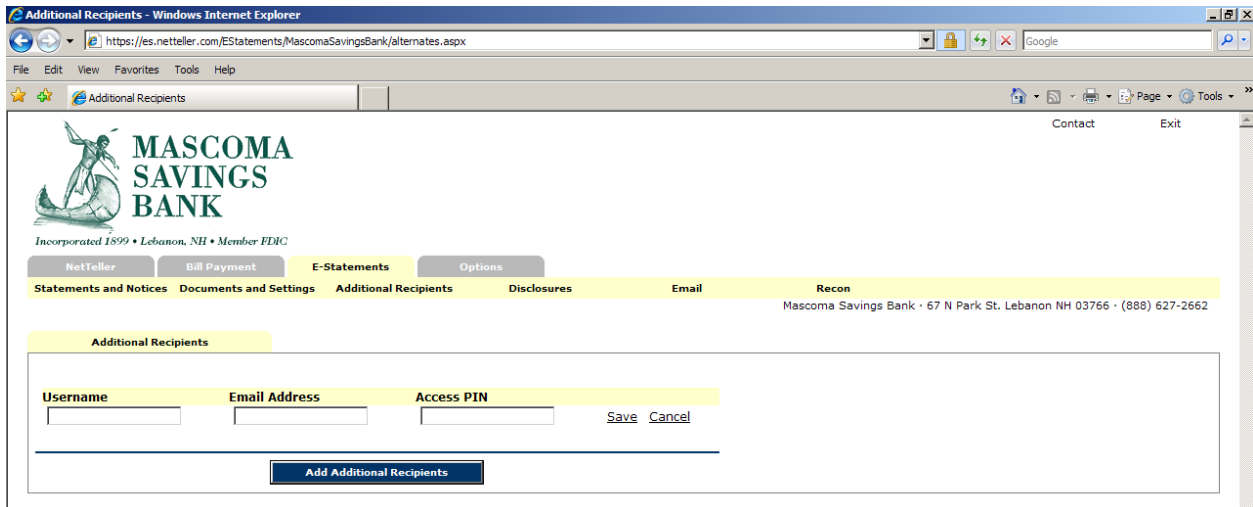

This completes the basic sign up for E-Statements.

For a couple of additional features please continue.

Adding Additional Recipients:

To add additional Receipts click the button.

Enter in a username for the person that you want to receive a copy of the E-Statement.

Enter in their Email Address

Assign that person an access PIN to be able to retrieve that e-statement.

(Should that person, forget their PIN, you can issue them a new one here)

When complete click on Save .

Changing Email address and Email Subject Line

Important note: If your email address changes you will need to change it by clicking on the Email option and entering your new email address. This is also where you can change your subject line message.

Email Settings

All documents will be sent to the following email address:

All authentic emails will contain the following security phrase:

The security phrase is intended to assure our customers that any emailed documents asking for private information have indeed originated from the Mascoma Savings Bank Website. If the security phrase does not appear within any document reporting to come from Mascoma Savings Bank do not submit any sensitive information such as User Id or Password. Please report any suspicious emails to Mascoma Savings Bank Support Personnel as soon as possible. These measures are being taken to protect our customers from a fraudulent Internet scamming method known as 'Phishing'. Phishing is a term used to describe the act of sending an email to a user falsely claiming to be a legitimate enterprise in hopes of scamming the user into surrendering sensitive information that will be used for identity theft.
